GetReal

NEW · CANDIDATE FRAUD DETECTION

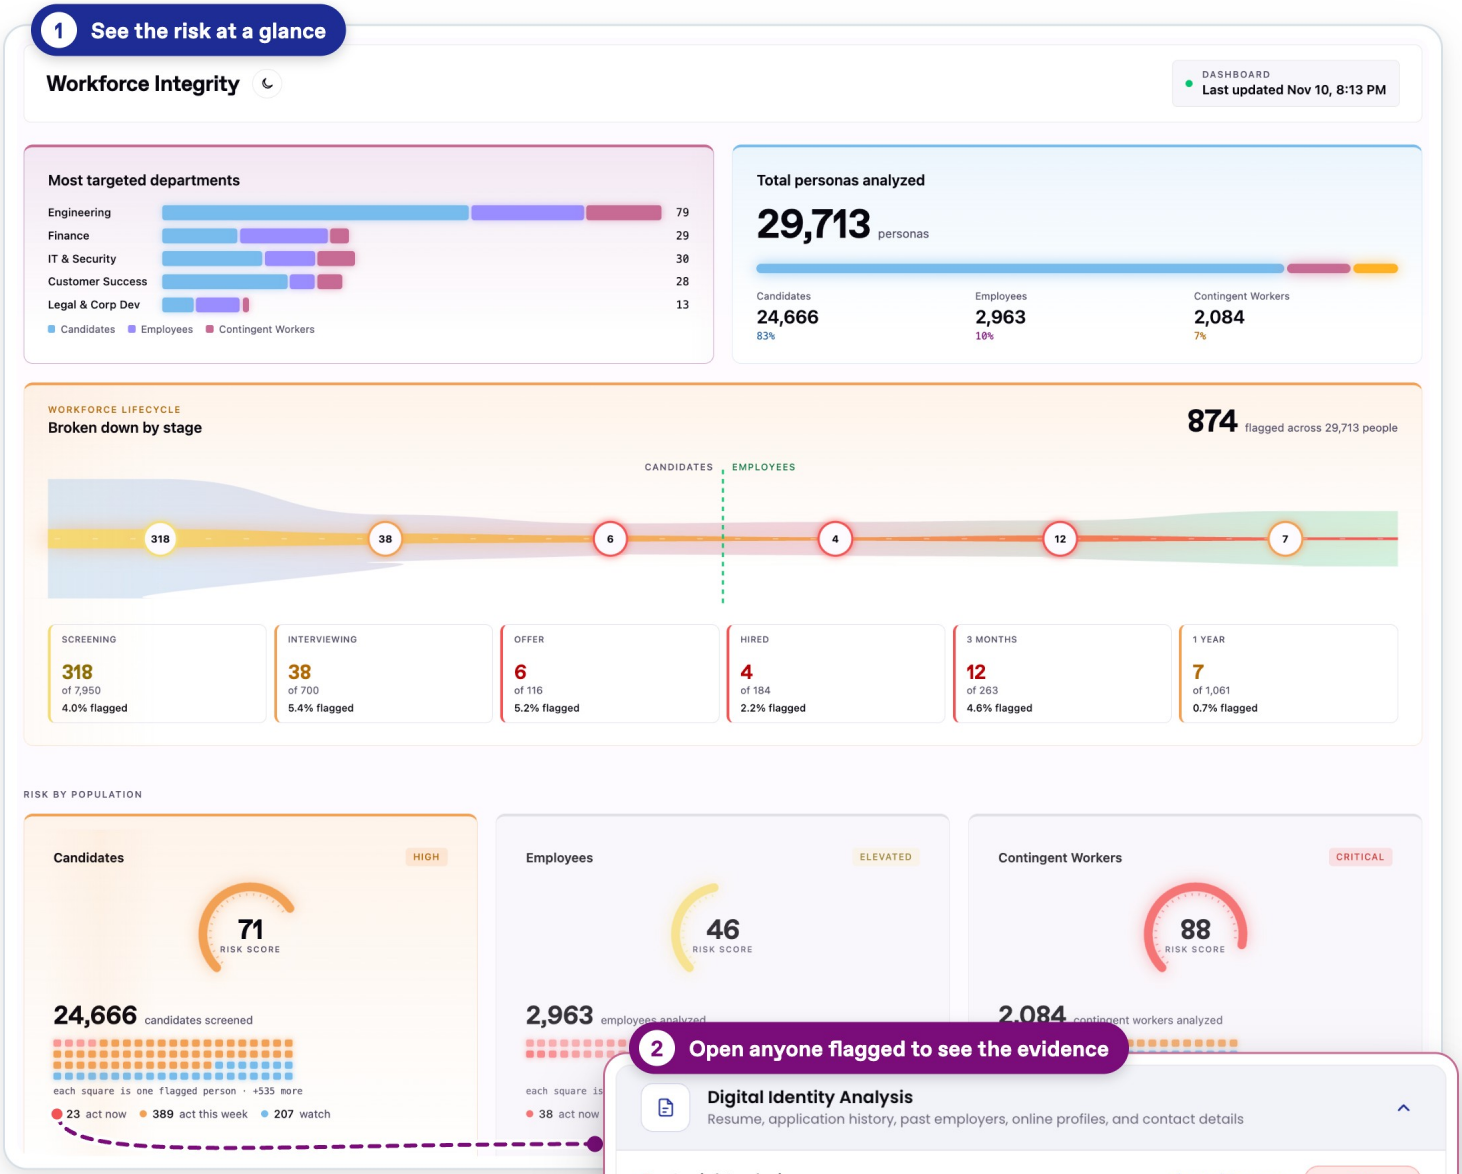

GetReal stops fraudulent candidates before they enter your workforce. Now starting at the application.

Get your Candidate Pipeline Assessment today.

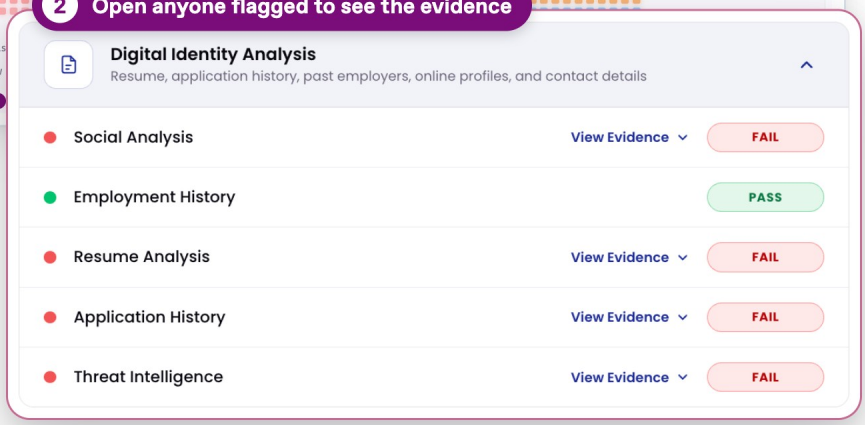

GetReal Candidate Fraud Intelligence extends identity assurance upstream of the interview so fraudsters are caught before you waste time on them. GetReal's Candidate Pipeline Assessment provides visibility into who is already inside your organization and who is knocking at the door.

One view of risk across

- **Candidates**
- **Employees**
- **Contingent Workers**

Every violation comes with a detailed Evidence Card that shows exactly why a person of interest was flagged, without relying on black-box AI models.
